The Honorable Prime Minister Sheikh Hasina
People's Republic of Bangladesh
Prime Minister's Office
Old Sangsad Bhaban
Tejgaon, Dhaka-1215, Bangladesh

Re: Immediately Release Hindu Prisoners of Conscience

Dear Honorable Prime Minister Sheikh Hasina:

We the undersigned individuals write to you from around the world to request you to immediately release the prisoners of conscience arrested in the aftermath of the October 2021 attacks on Hindus and other minorities.

While the numerous perpetrators of the recent violence have yet to be brought to justice, numerous Hindu individuals have been arrested by the Rapid Action Battalion for attempting to share information about the violence in Bangladesh on social media. These arrests were made under the false pretense of the claim that these individuals were "destroying communal harmony" according to Bangladesh's Digital Security Act. So far, we have confirmed the cases of three individuals, and are learning of more cases each day:

- **Ashish Mallik, 30 years old (Banani City)**
- **Shuvon Kumar Das, 26 years old (Jessore City)**
- **Poritosh Sarkar, 19 years old (Pirgonj Upazila)**

Further compounding the violence targeting Hindus, the response from the government of Bangladesh has included arrests of the above Hindu activists, denial of the deaths, rapes, destruction of Hindu temples, and censorship of media that attempted to report the violence. The government of Bangladesh has chosen to hide the facts of the violence as they enable it, through inaction and denial, and now arrests.

We know that Hindu businesses and homes were attacked and Hindus were killed, injured, and raped. In total, at least 343 temples were looted, vandalized, and desecrated; approximately 1,650 homes were looted and then vandalized, while many were burnt to the ground; and at least 14 Hindus are confirmed dead— 17 are currently missing. We cannot confirm the approximate number of women raped at this time, but we know of several individual stories, including a confirmed incident where a 10-year-old girl, her aunt, and grandmother were gang raped. The young girl died from injuries sustained during the rapes.

We implore you to invest the resources necessary to uphold international human rights norms and prevent further ethnic cleansing of Hindus in Bangladesh. To do this, it is imperative that your government bring the real perpetrators of the physical violence in October 2021 to justice, and release the Hindu prisoners of conscience who have been arrested.

Thank you in advance for your attention to this urgent matter.
